

The map below indicates the location of the largest attractions (blue) and special events (red) and the size of the bubble indicates the estimated yearly attendees to each.

### ATTRACTIONS

### EVENTS & PROGRAMMING

“ It feels like Lexington is giving birth to itself. We are presented with the possibility of carefully considering what our city could be and how we each can play a part in its' careful creation. What a lovely opportunity.

-Marjorie Guyon, National and local Lexington artist
